

# Dan Inouye

U.S. SENATOR FROM HAWAII

**LIHUE AIRPORT TO RECEIVE FAA GRANT  
TO IMPROVE RUNWAY LIGHTING CONTROL SYSTEM**

**Friday, July 10, 2009**

**FOR IMMEDIATE RELEASE**

**WASHINGTON — Senate Appropriations Chairman Daniel K. Inouye and Senator Daniel K. Akaka announced today that a federal grant in the amount of \$878,023 has been awarded to Lihue Airport.**

**Lihue Airport on Kauai will receive the funding through the Federal Aviation Administration (FAA) to continue the installation of a new runway lighting control system, which will replace the current 25-year old system.**

**“The new state-of-the-art lighting system will be energy efficient and will ensure the safety of Lihue’s aircraft operations.” Chairman Inouye and Senator Akaka.**
